

Saturday, 15. – Saturday, 29. July 2023

Members of the RC Neustadt Vohburg upon the river Danube will host 16 girls and boys from the age of 16 to 18 at their homes. Neustadt is located 100 km north of the Bavarian Capital Munich. The area is mostly flat with small hills. Therefore the Summercamp-Participants may use on some days bicycles to get around. Participants must have some cycling experience and should be able to cycle a maximum of 20 km per day.

The Camp will focus on visiting historical sites and towns such as Regensburg, Ingolstadt and Munich. Too, local specialties and traditions can be studied during the visit of a beer festival or a brewery. As the area is both strong in agriculture and industry, the Audi- or BMW-car-plant and other companies will be visited.

Artificial lakes and the river Danube offer the possibility to recreate, enjoy bathing, boating, water-skiing and (hopefully) the Summer sun (so please do not forget swimwear).

We expect some curiosity in order to learn about the rich historical and industrial background of the region.

Costs / Fees

Travel expenses to Munich Airport or to the Train Stations in Regensburg or Ingolstadt. Participation fee of 100 Euros. Pocket money and insurance (see below) must be paid by the participants. The RC Neustadt Vohburg sponsors the cost of the whole stay and all activities.

Accommodation

In host families, in some cases two persons per room.

Insurance

A medical and liability insurance for the duration of the Summercamp in Bavaria will be provided by Rotary. Visa-travelers need an insurance of their own when applying for a visa.
